**ORDER NO. 5:       SETTING THE TARGET DATE AND DATE FOR SUBMISSION  
OF PROPOSED PROCEDURAL SCHEDULE**

(September 8, 2011)

The notice of investigation was published on July 28, 2011. (76 Fed. Reg. 45296)  
Taking into consideration the arguments set forth in the discovery statements as well as the ALJ's responsibilities in other investigations, the ALJ is setting a target date of approximately sixteen months, *i.e.*, November 28, 2012. Hence, any final initial determination should be filed no later than July 27, 2012.

Proposed procedural schedule(s) should be received by the ALJ no later than close of business on September 22, 2011. Said proposed procedural schedule should include, at a minimum, dates for each of the events set forth in Ground Rule 2. Based on the target date for this investigation and taking into consideration courtroom availability, the ALJ anticipates the pre-hearing conference and tutorial, if necessary, to start at 9:00 AM on Monday, June 4, 2012, in Hearing Room A. The hearing shall commence immediately thereafter and shall conclude no later than Monday, June 11, 2012. The parties shall take these dates into consideration when proposing their procedural schedule.

The proposed schedule should include dates for three settlement meetings at a time, date, and location of the parties' choosing for the exploration of settlement, by persons of requisite

authority, of some or all of the issues in the case. Unless the parties obtain the permission of the ALJ, for good cause shown, the settlement meetings should **not** occur by video-conferencing or by teleconferencing. The first one of these dates should be relatively early in the investigation; the second should be approximately midway through the period for discovery; while the last should be set for the period between the close of discovery and before the commencement of the hearing. The parties should also include dates in the proposed schedule for filing the joint settlement conference reports. During the settlement conference, the parties shall also consider and discuss aspects of the case, if any, that they believe may be appropriate and/or ripe for mediation. Any such issues should be included in each settlement conference report and, based on the information provided therein, the parties may be contacted by the Commission for participation in its mediation program.

The parties should make intensive good faith efforts to agree to a procedural schedule. It is expected that in most instances the parties should be able to submit a joint proposal on this matter.
