THEREOF, AND PRODUCTS
CONTAINING SAME**

Inv. No. 337-TA-795

ORDER NO. 4: INITIAL DETERMINATION SETTING TARGET DATE

(August 3, 2011)

On July 27, 2011, the Commission issued a Notice of Investigation in this matter to determine:

[W]hether there is a violation of subsection (a)(1)(B) of section 337 in the importation into the United States, the sale for importation, or the sale within the United States after importation of certain video analytics software, systems, components thereof, and products containing same that infringe one or more of claims 1-8, 11-14, 17, and 24-37 of [U.S. Patent No. 6,696,945]; claims 1-28 of [U.S. Patent No. 6,970,083]; claims 1-3, 6, and 7 of [U.S. Patent No. 7,613,324]; claims 2 and 3 of [U.S. Patent No. 7,424,175]; claims 1-3 and 6-22 of [U.S. Patent No. 7,868,912]; and claims 1-7, 9-13, and 15-28 of [U.S. Patent No. 7,932,923] and whether an industry in the United States exists as required by subsection (a)(2) of section 337.

(See Notice of Investigation.) The investigation was instituted upon publication of the Notice of Investigation in the *Federal Register* on August 1, 2011. See 76 Fed. Reg. 45859-60 (2011). 19 CFR § 210.10(b).

The complainant ObjectVideo, Inc., 11600 Sunrise Valley Drive, Suite 290, Reston, VA 20191. The respondents are Robert Bosch GmbH, Postfach 106050, D-70049 Stuttgart, Germany; Bosch Security Systems, Inc., 130 Perinton Parkway, Fairpoint, NY 14450-9170;

Samsung Techwin Co., Ltd., 657-9, Yeoksam-Dong, Kangnam-gu, Seoul 135-080, Korea; Samsung Opto-Electronics America, Inc. (d/b/a Samsung Techwin America, Inc.), 100 Challenger Road, Suite 700, Ridgefield Park, NJ 07660; Sony Corporation, 1-7-1 Konan, Minato-ku, Tokyo 108-0075, Japan; Sony Electronics, Inc., 16530 Via Esprillo, San Diego, CA 92127. The Commission Investigative Staff of the Office of Unfair Import Investigations is also a party in this investigation.

Based upon the complaint and notice of investigation, the Initial Determination on alleged violation of section 337 shall be due August 31, 2012, and the target date for completion of this investigation is December 31, 2012, which is 17 months after institution of the investigation. *See* 19 CFR § 210.51(a); 19 CFR § 210.42(a)(1)(i).

I find that there is good cause for setting a 17-month target date. This investigation includes six respondents and 108 patent claims at issue. Moreover, this investigation was instituted only 13 days after the last investigation assigned to me, Inv. No. 337-TA-790. It is necessary to schedule the current investigation on a 17-month schedule to adequately space the two Initial Determinations apart from each other.

Pursuant to 19 CFR § 210.42(h), this initial determination shall become the determination of the Commission unless a party files a petition for review of the initial determination pursuant to 19 CFR § 210.43(a), or the Commission, pursuant to 19 CFR § 210.44, orders on its own motion a review of the initial determination or certain issues contained herein.

SO ORDERED.

Robert K. Rogers, Jr.
Administrative Law Judge
