**ORDER NO. 4: ORDER SETTING TARGET DATE AND DATE FOR SUBMISSION
OF PROPOSED PROCEDURAL SCHEDULES**

(November 21, 2011)

Target Date

Pursuant to Commission Rule 210.51(a), a target date for completion of the Investigation in the above-captioned matter must be set. The Notice of Investigation was published on November 3, 2011. 76 Fed. Reg. 68,209-210 (Nov. 3, 2011). Complainants submit that a fifteen-month target date is appropriate. Respondents believe a sixteen-month target date is reasonable and proper. In view of the asserted technology, the number of respondents, and the number of claims at issue, the undersigned believes a target date of sixteen months is warranted. Accordingly, a target date of March 4, 2013 is hereby set for this Investigation.

Proposed Procedural Schedule(s)

Proposed procedural schedule(s) should be received by the undersigned no later than close of business on December 1, 2011. Said proposed procedural schedule should include dates for each of the events set forth in Ground Rule 2. Given the technology at issue, the undersigned believes that a *Markman* hearing will be beneficial. The undersigned therefore requests that the parties include in the proposed procedural schedule dates for the following events:

Exchange of initial expert reports on claim construction issues
Exchange of rebuttal expert reports on claim construction issues
Meet and confer to discuss and limit number of disputed claim terms
Initial <i>Markman</i> briefs - Complainants and Respondents
Rebuttal <i>Markman</i> briefs - Complainants and Respondents
Submission of joint proposed claim construction chart
Submission of updated joint proposed claim construction chart
Proposed issuance of claim construction order ¹

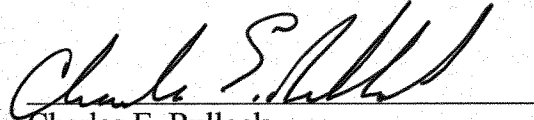

Based on a review of the undersigned's current caseload, the undersigned anticipates the tutorial will be held on February 23, 2012, the *Markman* hearing on February 24, 2012, and the hearing to begin on August 6, 2012. The parties shall take these dates into consideration when proposing their procedural schedule.

The proposed schedule includes dates for two settlement meetings and one mandatory mediation (which will not include the Administrative Law Judge) at a time, date, and location of the parties' choosing for the exploration of settlement, by persons of requisite authority, of some or all of the issues in the case. Unless the parties obtain the permission of the undersigned, for good cause shown, the settlement meetings should not occur by video-conferencing or by teleconferencing. The parties should also include dates in the proposed schedule for filing the joint settlement conference reports.

¹ The undersigned anticipates issuing the *Markman* order no earlier than May 15, 2012.

The parties should make intensive good faith efforts to agree to a procedural schedule. It is expected that in most instances the parties should be able to submit a joint proposal on this matter.

SO ORDERED.
